FROM: Peter Tarnoff
Executive Secretary
Department of State
SUBJECT: Notification of Foreign Travel

Following up on the President's memorandum of December 27 to the heads of executive departments and agencies, I am enclosing a standard form for your use in notifying this Department of travel by senior administration officials. The Department will do its best to respond to requests within five working days of receipt of notification.

If there is insufficient time to provide written notification, your office may give the required information by phone to the Office of the Director of the Secretariat Staff (tel. 632-0318). We ask, however, that you strictly limit these phone requests to those cases where time is insufficient to submit a written notification. Our Executive Secretariat will respond to you first by phone and then in writing using the attached form.

The Department will use interagency mechanisms whenever appropriate in reviewing these travel plans. In the case of proposed travel to the Soviet Union, the Department will refer the proposal to the Interagency Coordinating Committee for US-Soviet Affairs (ICCUSA) for interagency consultation as appropriate and for decision.
